TESTIMONIES

“Having run several overseas marathons in the US and Japan, I wanted to run a marathon in Australia and chose GCAM after receiving good feedback from my running friends. I'm glad I made the right choice as GCAM not only met but surpassed my expectations! The event organisation was

fantastic - every aspect of the race, from the race expo, start corral, drink stations to the finish line were extremely well-organised, and the volunteers and supporters were nothing short of awesome. Not forgetting too that the GCAM course is flat and fast, and the cool weather makes for perfect conditions to achieve new personal-bests (PBs). I broke my previous record at Osaka 2015, and ran a sub-4 timing at GCAM 2016! Scenic Travel was a wonderful host in Gold Coast, and GCAM is certainly in my running calendar next year. This time, I may even bring my family along!”

- Huang Shao Fei, ran 42km

“I participated in my first overseas marathon and boy, am I glad that I chose GCAM! The course route was flat and not congested. Weather was a bliss, and the atmosphere was electrifying with cheerleaders lining up the entire race. Post-race, I rewarded myself with sky-diving, hot air ballooning, jet boating, whale watching and heading up to Mt Tamborine. Special mention to Scenic Travel for the wonderful work - I travelled alone, and they took really good care of me!”

- Carrie Au Yong, ran 21km

“GCAM is my 1st overseas run and one of my top criteria is look for a city where I can have a good race and a good holiday. Gold Coast has delivered on both aspect. The race course was excellent and the atmosphere of supporters was second to none I also took the chance to tick off my bucket list of skydiving and landing on Kirra Beach. I would highly recommend GCAM to anyone who is running to escape the ordinary!”

- Khor Jiajie, ran 10km
