### MOHAN WILL BE BACK FOR HIS 11<sup>TH</sup> RUN!

"If it is good, keep doing it again and again.

I have run Gold Coast Airport Marathon (GCAM) for 10 years, to me it is the ultimate Australian marathon. I did my 1st GCAM in 2005. Then, there were fewer than a dozen runners from Malaysia & Singapore. I earned my entry into the GCAM 10 Year Club this year. With this year's participation of about 500 Malaysians & Singaporeans, there are going to be many more runners with this tee! Got to work towards the 20<sup>th</sup> now!"

- Mohan Kanidah, recipient of 'The Gold Coast Airport Marathon 10 Year Club'

## TEAM SCOOT WILL BE BACK IN 2016!

"To be honest, I am not an active person, however as a young adult, I don't want to let any opportunity pass me by. So when I received a challenge from my colleagues for this marathon, I signed up without any second thought. I simply want to just give it a go! I see this as an achievement because it's my 1st half marathon. Now I can say - Yes, I have done it! And I would love to do it again!"

- Chai Sinyi, Scoot Group Sales Desk

"Nothing like running while enjoying the sights and sounds of an entirely new city! The electrifying cheer from the supporters kept me going. The atmosphere was exhilarating. An unforgettable experience - my first and definitely not last one!"

- Marcus Yong, Scoot Digital Marketing
