

5 July 2015

"The Gold Coast Airport Marathon lives every bit up to its IAAF Gold Label Road Race status. I felt honoured to be a part of the 36th running and inaugural year as a Gold Label event. The race organisation's commitment and dedication to the event, its participants and the community was clearly apparent. The record quality course and seasonal conditions helped give runners, including myself, the best possible chance to chase a new PB. As I discovered, south-eastern Queensland is a perfect getaway in July. I had a great experience I and cannot think of a more worthwhile overseas marathon venue to run in!"

Jeffrey Eggleston, USA (A long distance runner who competed at the 2011 and 2013 World Championships in Athletics and finished eighth at the 2014 Boston Marathon).
