 - Footpath

A graphic with a light blue background. The text "#GCAM16" is at the top in a white, outlined, bubbly font. Below it, the words "GOOD" and "TIMES" are stacked. "GOOD" is in a yellow and orange outlined font, and "TIMES" is in a teal and blue outlined font. Both are in the same bubbly, outlined style.

The logo for the Gold Coast Airport Marathon. It features the text "Gold Coast Airport" in a bold, black, sans-serif font. Below this, the word "MARATHON" is written in a much larger, bold, black, sans-serif font. Underneath "MARATHON", the dates "2-3 July 2016" are displayed in a stylized, handwritten-style font. The "2-3" is in orange, "July" is in blue, and "2016" is in a lighter blue. To the left of the dates, there is a small graphic element consisting of a blue and white checkered pattern, resembling a running track or a flag.
