## Team Zone Terms and Conditions

### Tent Locations

Team Organisers will be advised of their tent locations by Friday 7 June or as soon as the chosen zone has been sold in full. Tent sites will be allocated in accordance with time of booking and full payment received. If you have any special requirements or any circumstances which may impact the amount of space you require, please advise GCM at the time of booking. Although requests are taken into consideration where possible, the final tent location is at the discretion of the Event Managers.

### Tent Inclusions and Power

Tent bookings are only inclusive of the items listed in the package. BBQs and urns are the only additions that will be organised on request by GCM. If additional power is required, this must be purchased at the time of booking. Any additional furniture must be organised by the individual or company hiring the tent package. Please note, teams cannot BYO BBQs for health and safety reasons. Any electrical items brought onsite must be tagged and tested by a qualified technician. The Event Manager reserves the right to remove any electrical item that does not have an up-to-date electrical tag attached to it. Please do not overload powerpoints; urns are only to be plugged into 10AMP powerpoints. **The use of double adaptors and powerboards is prohibited in all tents due to the power limitations of the Race Precinct.**

### Food and Beverage

All Team Zones are alcohol free and BYO alcohol is not permitted. Food and beverages are available for purchase at the Race Precinct. If you source your own caterer, please ensure they hold the necessary licenses and adhere to Council regulations. If you intend on preparing food for sale, a food licence may be required with City of Gold Coast Council to ensure you are taking the appropriate measures in relation to food safety. Please refer to <http://www.goldcoast.qld.gov.au/council/permits-licensing-32008.html> (Permits and Licensing - Food Business) for further details. All groups preparing food must comply with the Australian and New Zealand Food Standard Code with further details provided closer to the event

### Team Zone Etiquette

The Team Zone is a social area and is therefore not a place to solicit and/or promote your place of business/ product/service. The distribution of flyers and/or any other promotional activity is reserved only and by prior agreement for the Official sponsors of the event. Teams can erect company signage and colours within their tent and designated courtyard area, however anything beyond this cannot be displayed without the prior approval of the Event Managers.
