TESTIMONIALS

Ow Yong Jin Kuang, 1st time runner in 2018

"Gold Coast Marathon is a stunning scenic course with the endless coastal line on one side and lovely residential area on the other. It is a special race for me because I was in good company of my team mates from Penang Forward Sports Club (10 of us!) and I achieved my personal best timing on this flat and fast course.

The difference between local Malaysian races and the Gold Coast Marathon is the amazing crowd support that keeps cheering you and great weather.

Will I come back again? Certainly! And I will recommend for all runners to run the Gold Coast Marathon at least once!

Richi Lim, 2nd time GCM runner

"I decided to return in 2018 as many of my friends were also making the 40th anniversary their second or even third GCM. There's something about the Gold Coast that makes for both a fine race and fine holiday destination. The food, the scenery, the 'aircon' winter, and of course the fantastic race organization. I've ran both my sub 4 hour marathons on the Gold Coast and you can be sure that I will return!"

Vivien Chen

Smart Athletics Club Member

"Running the Gold Coast Marathon was a dream come true for me, as I am running in foreign grounds with familiar company of Smart Athletics Club! The weather was stunning and we were kept motivated by the infinite line-up of spectators who cheered us on. I achieved my PB and cried when I crossed the line – I was moved by how far I have come. Get out there, run with your club! Exceed your limits on the Gold Coast!"
