TESTIMONIES

“ GCM18 for me was my PB despite my last-minute shortened training program due to overseas travel. Nice weather and course and great atmosphere. Through Scenic Travel, all my logistics were well taken care of and I just had to run. Enjoyed this event and hope to return again to get my BQ - bigger buffer to confirm a slot. ”

Clarence Chan, Team FatBird, 1st time runner

Distance: 42.195km, Achieved season best of 3h 37m 34s

“ Last thought before the race: “Why am I doing this?”
First thought after the race: “When can I do this again?”
#GCM, a race where legends are created.
We find ourselves in the things we love. ”

Peter Tan, Just Run Lah, repeat runner

Distance: 42.195km

“ GCM is an old friend. I have ran 10km and 21km few years back and have always remembered the great course and support. In 2018, I finally mustered up courage and took on the full marathon and was not failed by the consistent wonderful weather conditions, flat course and crowd support – I achieved my PB after 10 years! GCM has an electrifying atmosphere, with supporters calling your names and pushing you when you thought were going to give up. I will definitely be back again. ”

Beverly Soon repeat runner from Team FatBird

Distance: 42.195km
