TESTIMONIALS

“ In 2019, I participated in my second Gold Coast Marathon with my running club, X-Runners and Scenic Travel. Despite unforeseen weather conditions, I managed to set a new personal best and qualify for Boston Marathon all thanks to the flat, fast course and electrifying crowd support.

Running brings people together. Through traveling with Scenic Travel, we met many runners from the running community and forged new bonds. We also had a holiday and visited iconic sights such as Currumbin Wildlife Sanctuary and Miami Marketta.

Gold Coast Marathon lives up to its name as one of the most popular marathons. I will be back for more #Goodtimes! ”

Cindy Ong - Distance: 42.195km

“ Being my first marathon, the Gold Coast Marathon was certainly memorable. The race started wet and cold but with the rain came a beautiful rainbow. Crowd support was amazing as people came out of their houses to offer runners sweet treats. I lost count of the number of children who gave me high fives. It was an awesome race experience and I couldn't ask for more. ”

Ashley Ho - First marathon

“ I have done many Triathlon races overseas before but this is my first overseas marathon race. I wanted to ensure that I didn't have to get stressed out with logistic matters hence we booked the trip with Scenic Travel whom we knew had many years of experience with Gold Coast Marathon Groups. The trip was an enjoyable breeze as they took care of logistics such as race registration, transfers and accommodation so I can focus on getting my PB! ”

William Leow - First overseas marathon

“ It was my first Gold Coast Marathon in 2019 and my goal was to achieve my PB on this famous flat and fast course! Scenic Travel played an important role in helping me prep for the race and were attentive to my needs and queries which helped me focus on running my PB at the race.

The Gold Coast Marathon was a delightful experience. The course was well organised and the locals came out in the rain to cheer for us. Even after the race, I was on a runner's high and feeling on top of the world. I recommend all runners to book with Scenic Travel for a good experience. ”

Zai Yan - Distance: 42.195km
