

VILLAGE ROADSHOW THEME PARKS GOLD COAST MARATHON

CUT OFF POLICY

Each race of the Village Roadshow Theme Parks Gold Coast Marathon has an official cut off time in which participants must complete their race. These cut off times are enforced so roads can be re-opened to the public in accordance with event permits.

It is important that all participants read the full cut off policy. Six key points of information:

1. Start line time closure
2. Official cut-off times (gun times)
3. Kilometre pace required to finish within the race cut off time
4. Progressive race cut off times along the course
5. Locations where officials will monitor and enforce the race cut off times
6. Disqualification

Official cut off times and the selected locations for enforcement are detailed below in race specific sections. These are all based off the **gun time** i.e. the time when the starting gun is fired. Course officials will issue warnings throughout the course and have the authority to remove participants from the race at any of the listed cut off locations where a participant is behind the cut off time and their safety or event progress is compromised.

It is important to note it remains the participant's responsibility to ensure they finish within the official cut-off time. The pace guideline included for each race will assist participants with their training and race day pacing, especially those who start their race towards the back of the field according to their designated start zone. Should a participants' gun finish time fall outside the official cut-off time an official result will not be published or provided.

Event organisers are committed to all participants having a great experience at the Village Roadshow Theme Parks Gold Coast Marathon. To avoid disappointment, event organisers strongly suggest that all participants familiarise themselves with the cut off policy for their chosen race.

CUT OFF ENFORCEMENT POINTS

Saturday 2 July 2022
