Group Collection: *(team must have over 20 entrants and have pre-arranged collection)*

Team Managers can choose to collect their entire teams race numbers together. Team Managers will be contacted at the beginning of June to arrange their group collection appointment within the above opening hours.

Group Postage: *(team must have over 20 entrants)*

Team Managers can choose to have their race numbers posted to an address of their choice. All race numbers will be sent to one address and team managers will need to pay for an express tracked parcel/s. Team Managers will be contacted at the beginning of June to arrange postage and payment.
