Entertainment and Ambient Noise

As part of the event atmosphere, several entertainment stations will be set up along the course, featuring live music, speakers, and announcers to support and motivate the runners.

While we strive to keep sound levels considerate, you may notice some increased ambient noise in the morning hours of the event.

Get Involved – Come Out and Cheer!

We'd love to see you out on the course supporting the runners! Even a friendly wave or a few cheers make a big difference to participants as they make their way through your neighbourhood. It's a great way to be part of the day and experience the community spirit of the ASICS Gold Coast Marathon.
