Please review the signage located along the course and ensure your vehicle is removed by 3:30 AM sharp each day. Vehicles remaining on closed roads after this time will be towed at the owner's expense. This is particularly important in areas such as Marine Parade, Labrador, where vehicles are regularly required to be removed each year.

Planning Ahead

To help minimise inconvenience on the day:

- Move vehicles out of affected areas before road closures begin
- Let your household, customers, or staff know in advance
- Consider alternate travel routes and parking locations until roads reopen

Entertainment and Ambient Noise

As part of the event atmosphere, several entertainment stations will be set up along the course, featuring live music, speakers, and announcers to support and motivate the runners.

While we strive to keep sound levels considerate, you may notice some increased ambient noise in the morning hours of the event.

Boat Ramp Access

Access to boat ramps will be restricted while road closures are in effect. Please refer to the event website and local signage for full details to assist with planning.

Get Involved – Come Out and Cheer!

We'd love to see you out on the course supporting the runners!

Even a friendly wave or a few cheers make a big difference to participants as they make their way through your neighbourhood. It's a great way to be part of the day and experience the community spirit of the ASICS Gold Coast Marathon.
